

Cecilia

Simon & Garfunkel

all the same chords you ve probably seen before for this simon and garfunkel song off bridge over troubled water, but it s easier w/ a capo on five, because then it has the appearance of a c,f,g pattern. it occured to me today while listening to the song today that it does sound as if paul is using a capo somewhere on the neck. w/ capo on 5- **F = C... Bb = F... C = G**
