Feel this road is getting longer now

And i m too far away from home

Still I gotta keep on moving on

But I can t do it on my own

Baby keep my head above water

Help me swim for my life

Coz the game is getting harder

The strain is gettin stronger

And I can only face the fight

Pre-chorus:

When you lay your hands

Oh yeah

Coz it s the only thing I have that still makes sense

Chorus:

(Oh baby, when I m calling out)

Give me love and affection,

Keep telling me, show me the way.

(Oh, if you see me falling down)

Lift me up from the shadows

Will you take me away to a better place?

(And when I m in my darkest hour)

You re by my side, to turn the tide,

Until the suffering fades.

Come and lay ur hands on me..
