Simon Webbe  
No Worries  
Tuning: Standard  
Transcribed by Soch H.

Here is the official site of the R&B Artist: <http://www.simonwebbe.net/>  
This song is basically two chords, so have fun!

Intro:

**C** **Dm**  
I just know your life s gonna change  
**Dm**  
Gonna get a little better  
**C**  
No more darkest days  
**C** **Dm**  
I just know your life s gonna change  
**Dm**  
Gonna get a little further  
**C**  
I can see the feelings changed

**C** **Dm**  
So is this how it goes  
**Dm** **C**  
Think its come this far without feelings shown  
**C** **Dm**  
But that its oh no, you dont see where you are  
**Dm** **C**  
And if you dont look back you ll never know  
**C**  
Because you think that you ve been living  
**Dm**  
Just treading water  
**Dm** **C**  
And waiting in the wings for the show to begin  
**C** **Dm**  
But I always see you searching, that you ll try that bit harder  
**Dm** **C**  
And getting closer, to the life your imagining

Bridge:

**C** **Dm**  
I just know your life s gonna change  
**Dm** **C**  
Maybe not today maybe not today someday soon youâ€™ll be alright  
**C** **Dm**

I just know your life s gonna change

**Dm**

**C**

Donâ€™t turn the other way turn the other way feelâ€™s like luck is on your side

Chorus:

**C**

No worries No worries

**Dm**

No worries No worries

**Dm**

Same for me Same for me

**C**

We all need somebody

**C**

No worries No worries

**Dm**

No worries No worries

**Dm**

Same for me Same for me

**C**

We all need somebody

**C**

**Dm**

So baby keep drifting on

**Dm**

**C**

Getting there ain t just selfless wasted time, seek and find (yeh yeh)

**C**

**Dm**

Your not that far from

**Dm**

**C**

What you hoped and wished for all along

**C**

Because you think that you ve been living

**Dm**

Just treading water

**Dm**

**C**

And waiting in the wings for the show to begin

**C**

**Dm**

But I always see you searching, that you ll try that bit harder

**Dm**

**C**

And getting closer, to the life your imagining

Bridge

Chorus
