

**Average Man**  
**Simple Kid**

okay so heres the chords for a wicked song by a wicked man. i picked it up from watching him live in my local record shop. i think this is pretty much it. email me if you have any alterations or compliments etc @ fenixchild666@hotmail.com

chords-

**Cm** 8-8-10-10-8-x

**D** 2-0-0-3-2-3 the bass note is optional, sounds as good without

**G5** 3-2-0-0-3-3

**C** 0-3-2-0-1-0

**C/G7** 3-2-0-0-1-0 not sure of the name of this one

You have to listen to the song get the rhythm, especially on the chorus which has a quick 1-2 change on the C-C/G7 chords.

Cm (continous strum all through verse)

The average man is 35 years old

And he owns a car but he dreams of a better one

He s overweight but he s working on losing some

The average man of the street is mad on Street

And he will fall in love at least 2 times in his life

And he will be unfaithful at least 3 times

He loves his wife but he sometimes dreams of a better one

Go-go, the average man, go-go

<b>D</b>	<b>G5</b>	<b>C</b>	<b>C/G7</b>

(quick change back to Cm)

continue that sequence all through the song

rest of the lyrics:

The average man will spend 3 hours

Watching moving images on TV ev ryday

He spends Â£20 a week on drinkin and cigarettes

But ev ry man says he will give up one day

And he is unhappy with his general appearance

And will spend over 3000 hours shaving in the mirror

He has a face but he sometimes dreams of a better one

Go-go, the average man, go-go

What are you looking for, average man?  
What are you looking for, average man?  
What are you looking for, average man?  
What are you looking for, average man?

The average man is living for tomorrow  
He cared to face the limitations today  
Works hard on 326 days of the year  
For a 2 week holiday

I saw on TV bout this man from oldly Birmingham  
Ev ryday he works 17 hours  
One day he ll come home and shoot both children  
And the neighbours said he was an average man

What are you looking for, average man?  
What are you looking for, average man?  
What are you looking for, average man?  
What are you looking for, average man?

Go-go, the average man

What are you looking for, average man?  
What are you looking for, average man? ....

Ain t nothin average about me, man
