Verse

C#
Shadow let go
C#
There s something you should know
C#
I just found my new direction
C#
And I hope you like the key
F#
Like the air that led me to it
B
She s the wind that sucked me through it
C#
She s a river and she s turning there in front of me
C#
Stand back - get back
C#
She ll paint your blue skies black
C#
She gives bullet proof protection
C#
She got a resurrection feel
F#
When I m scared, and bout to lose
B
She gives me travelling shoes
C#
She s a river and she s turning there in front of me

And I go blind

F#

Wasting my time

C# B

While the rivers in front of me

F#

C# B F#

That s where I m goin to be

Verse

C#

Shine on, get on

C#

Twilight from dusk to dawn

C#

She s the spirit of creation

C#

She s the last chance guarantee

F#

Got a myriad of poses

B

Sweet miracles and roses

C#

She s a river and she s turning in front of me

Ebm

And I go blind

F#

Wasting my time

C# B

While the rivers in front of me

F#

C# B F#

That s where I m goin to be

C# F# C#

Ebm

Cause when I find

F#

My state of mind

C#

The river s in front of me

Bridge

C#

They say that every heaven s got a thousand rooms
C#
So take me on that freedom ride
C#
My heart is like a hunter s in the silent moon
C#
My nerves just feel electrified
F#
Meet me on the staircase
F#
Outside a darkened room
F#
Light me like a naked flame
C#
The voice of Mother Nature states
C#
All things must pass
C#
And nothing can remain
Ebm
They say that every heaven s got a thousand rooms
F# C# B F#
So take me on that freedom ride

C#
You raise me like a building to the very top
B F#
Rush me to the end of time
C#
You fill me full of danger
C#
You give me future shock
B F#
Then you leave me wasted dying

C# F# C#

Ebm
And I go blind
F#
Wasting my time
C#
The river s in front of me
