Verse

Eb Bb/D  
Chased you out of this world, didn't mean to stop  
Cm/D Bb/D  
I turned around and suddenly you were gone  
Eb Bb/D  
Like some bird from paradise, the fire and ice  
Cm/D Bb/D  
We turned around and suddenly you were gone, gone, gone  
Eb G#/D  
And now summer burns a hole inside and years are golden once again  
Bb/D Cm/D  
My thoughts return to you my dear young friend

Eb Bb/D Cm/D Bb/D

Gm  
Oh come this way  
F Eb  
Will you look down this way  
Gm  
I go down on the street  
F Eb  
Where the wild wind's blowing  
Here comes a hurricane

Ending

F# G#  
I m looking through the windows  
Bbm C#/B  
And my mind goes in a whirl  
C# C#/D  
Well there s a multitude of candles  
Fsus4 F  
In the windows of this world  
F# G#  
I m looking at the colours  
Bbm C#/B  
Checking out the straights  
C# C#/D  
I m counting out the numbers  
Fsus4 F  
Will tomorrow never change?  
F# G#  
Still I hear you and I love you  
Bbm C#/B  
And I ll follow you elsewhere

C# C#/D  
And I ll remember this occasion

Fsus4 F  
I ll remember being aware

F# G#  
We ve got panic in the evening  
Bbm C#/B

We ve got fall-out in the streets  
C# C#/D  
And I hear you and I follow you  
Fsus4 F  
And I ll call out and I ll say

F# G#  
I can hear your sister call out  
Bbm C#/B

And I hear her call your name  
C# C#/D  
They re calling sweet surrender  
Fsus4 F  
And things won t be the same

F# G#  
And don t you think that I don t care  
Bbm C#/B

And don t you think that I don t know  
C# C#/D  
And don t you hear them calling out  
Fsus4 F  
In a place not far from here

F# G#  
And I hear big wheels are turning  
Bbm C#/B

Some things are not to fear  
C# C#/D  
They say this is the time and place  
Fsus4 F  
They call street fighting years

F# G#  
And I hear great wheels are turning  
Bbm C#/B

And I tell you not to fear  
C# C#/D  
They say this is the time and place  
Fsus4 F  
They call street fighting years

F# G# Bbm  
And I love you, I look for you  
C#/B C# Fsus4 F

And I walk to you, I walk to you

F#

G#

And I hear big wheels are turning

Bbm

C#/B

Is there no way out of here?

F#

They ll be calling out tomorrow
