Verse

C# G#/D
 Chased you out of this world, didn't mean to stop
 Bbm/D G#/D
 I turned around and suddenly you were gone

 Like some bird from paradise, the fire and ice
 Bbm/D G#/D
 We turned around and suddenly you were gone, gone, gone
 C# F#/D
 And now summer burns a hole inside and years are golden once again
 G#/D Bbm/D
 My thoughts return to you my dear young friend

C# G#/D Bbm/D G#/D

E F#
I m looking through the windows
G#m B/B
And my mind goes in a whirl
B B/D
Well there s a multitude of candles
Ebsus4 Eb
In the windows of this world

E F#
I m looking at the colours
G#m B/B
Checking out the straights
B B/D
I m counting out the numbers
Ebsus4 Eb
Will tomorrow never change?

E F#
Still I hear you and I love you
G#m B/B
And I ll follow you elsewhere

B B/D
And I ll remember this occasion
Ebsus4 Eb
I ll remember being aware

E F#
We ve got panic in the evening
G#m B/B
We ve got fall-out in the streets
B B/D
And I hear you and I follow you
Ebsus4 Eb
And I ll call out and I ll say

E F#
I can hear your sister call out
G#m B/B
And I hear her call your name
B B/D
They re calling sweet surrender
Ebsus4 Eb
And things won t be the same

E F#
And don t you think that I don t care
G#m B/B
And don t you think that I don t know
B B/D
And don t you hear them calling out
Ebsus4 Eb
In a place not far from here

E F#
And I hear big wheels are turning
G#m B/B
Some things are not to fear
B B/D
They say this is the time and place
Ebsus4 Eb
They call street fighting years

And I hear great wheels are turning

And I tell you not to fear
