Verse

E B/D
 Chased you out of this world, didn't mean to stop
 C#m/D B/D
 I turned around and suddenly you were gone
 E B/D
 Like some bird from paradise, the fire and ice
 C#m/D B/D
 We turned around and suddenly you were gone, gone, gone
 E A/D
 And now summer burns a hole inside and years are golden once again
 B/D C#m/D
 My thoughts return to you my dear young friend

 E B/D C#m/D B/D

G#m
 Oh come this way
 F# E
 Will you look down this way
 G#m

 F# E
 Where the wild wind s blowing

 Here comes a hurricane

Ending

I m looking through the windows
And my mind goes in a whirl
Well there s a multitude of candles
In the windows of this world

I m looking at the colours
Checking out the straights
I m counting out the numbers
Will tomorrow never change?

Still I hear you and I love you
And I ll follow you elsewhere

D D/D
And I ll remember this occasion
F#sus4 F#
I ll remember being aware

G A
We ve got panic in the evening
Bm D/B
We ve got fall-out in the streets
D D/D
And I hear you and I follow you
F#sus4 F#
And I ll call out and I ll say

G A
I can hear your sister call out
Bm D/B
And I hear her call your name
D D/D
They re calling sweet surrender
F#sus4 F#
And things won t be the same

G A
And don t you think that I don t care
Bm D/B
And don t you think that I don t know
D D/D
And don t you hear them calling out
F#sus4 F#
In a place not far from here

G A
And I hear big wheels are turning
Bm D/B
Some things are not to fear
D D/D
They say this is the time and place
F#sus4 F#
They call street fighting years

G A
And I hear great wheels are turning
Bm D/B
And I tell you not to fear
D D/D
They say this is the time and place
F#sus4 F#
They call street fighting years

G A Bm
And I love you, I look for you
D/B D F#sus4 F#

And I walk to you, I walk to you

G

A
