In the search for someone else

Who doesn t look right through me.  
**G**  
It s all just static in my head  
**F G**  
Can anybody tell me why I m lonely like a satellite?

Cause tonight I m feeling like an astronaut

Sending SOS from this tiny box  
**Am F**  
And I lost all signal when I lifted up

Can I please come down, cause I m tired of drifting round and round

who's so disconnected

If you hear my voice come pick me up

Are you out there?

**G**

Cause you're all I've got!
