

**Fire In My Heart**  
**Simple Plan**

Intro: **B A E**

**B A E**

I bet you didn't know  
You started off a chain reaction  
I saw no intention on your face  
It must have been some kind of chemical attraction

**B A E**

I felt the spark  
Let the mark  
I can't erase  
(I can't erase)

**F# A E**

It's like oh oh  
Something like a bolt of lightning  
Oh oh  
It's going on inside

**F# B A E**

Cause I'm burning up, it ain't no joke  
And all my cells are growing old  
I got up in a place with no way out  
And it's my self control goes up in smoke  
One more hit I get so stoked  
That I  
I'm glowing in the dark  
You lit a fire in my heart

You lit a fire in my heart

**B A E**

It was kicking at me  
Steady in my body  
(In my body)  
Until you pumped it up with gasoline  
You struck a match  
And just like that you got me  
Now I'm the brightest firework you've ever seen
