

I Dream About You
Simple Plan

Am

Some people dream about money and fame

C

And taking rides on private planes

F G Am

But they don't know you like I know you

Am

Some people dream about looking good

C

Like movie stars in Hollywood

F G Am

But they don't know you like I know you

G

They don't understand

G

They think I'm a fool

G

If only they could see

F G Am

I dream about you-u-u

C F

Heaven only knows I do

F G Am

I dream about you-u-u

C F

Every single night it's true

Am

I dream about you

Am

People want to drive fancy cars

C

Maybe some day reach the stars

F G Am

But they don't know you like I know you

Am

I would rather spend all my days

C

Reminiscing about yesterday

F G Am

When I was standing right beside you

G

You don't understand

G

You think I'm a fool

G

If only you could see

F G Am

I dream about you-u-u

C F

Heaven only knows I do

F G Am

I dream about you-u-u

C F

Every single night it s true

Am

I dream about you

F

I never, I never want to wake up

Am

No I never want to wake up

F

I never, I never want to wake up

G

No I never want to wake up

(**F G Am C F**)

F G Am

I dream about you-u-u

C F

Heaven only knows I do

F G Am

I dream about you-u-u

C F

Every single night it s true

F G Am

I dream about you-u-u

C F

Heaven only knows I do

F G Am

I dream about you-u-u

C F

Every single night it s true

Am

I dream about you
