Am C F C  
All the stars are lined up so perfectly  
Am C F C  
For everybody, but not for me  
Am C  
Wish it could be easy  
F C  
But it never goes that way  
Am C  
It s never like the movies  
F  
It s never like they say

F C  
But maybe one day I ll be back one my feet  
Am G  
And all of this pain will be gone  
F C  
And maybe it won t be so hard to be me  
Am G  
And I ll find out just where I belong

F  
It feels like it s taking forever  
Am  
But one day things can get better  
G F (deixe soar)  
And maybe my time will come

And I ll be the lucky one

Am C  
Now I can t stop thinking  
F C  
How this life could be  
Am C  
I can keep pretending  
F C  
But, honestly  
Am C  
Would it really make difference?  
F C  
Would it really ever change a thing?  
Am C  
It s never like the movies  
F  
It s never like you think  
F C  
But maybe one day I ll be back one my feet  
Am G  
And all of this pain will be gone  
F C  
And maybe it won t be so hard to be me  
Am G  
And I ll find out just where I belong  
F  
It feels like it s taking forever  
Am  
But one day things can get better  
G F (deixe soar)  
And maybe my time will come  
And I ll be the lucky one

F  
 So give me a reason to keep holding on  
 Am G  
 Something that makes me believe that my life s gonna change  
 Am  
 Seems like everyone else gets a shot, gets a break  
 F  
 I can t wait for that to be me  
 F  
 Maybe one day I ll be back on my feet  
 Am G  
 And all of this pain will be gone (all of this pain will be gone)  
 F C  
 Maybe it won t be so hard to be me  
 Am G  
 And I ll find out just where I belong (find out just where I belong)

F C  
 Maybe one day I ll be back one my feet  
 Am G  
 And all of this pain will be gone  
 F C  
 And maybe it won t be so hard to be me  
 Am G  
 And I ll find out just where I belong

F  
 It feels like it s taking forever  
 Am  
 But one day things can get better  
 G F (deixe soar)  
 And maybe my time will come

And I ll be the lucky one

(F C G)x2
