

Meet You There
Simple Plan

Simple Plan - Meet You There

C#
Now you re gone,
I wonder why
F#
You left me here,
C#
I think about it on, and on,
F#
and on, and on, and on, again.
C# **F#**
I know you re never coming back,
C#
I hope that you can hear me,
F#
I m waiting to hear from you..

Until i do,
Bbm
You re gone away,
Fm
I m left alone,
F#
A part of me is gone,
Bbm
And I m not moving on,
Fm
So wait for me,
F#
I know the day will come..

Chorus:

C#
I ll meet you there
F#
No matter where life takes me to
C#
I ll meet you there
F#

And even if I need you here

C#

I ll meet you there

C#

F#

I wish I could have told you,

C#

The things I kept inside,

F#

But now I guess its just too late.

C#

F#

So many things remind me of you,

C#

I hope that you can hear me,

I miss you,

F#

This is goodbye,

One last time..

Bbm

You re gone away,

Fm

I m left alone,

F#

A part of me is gone,

Bbm

And I m not moving on,

Fm

So wait for me,

F#

I know the day will come..
