[Verse 1]

I m coming home to an empty room
my head is spinning on a Sunday afternoon
there was a time when I had it all
I can still remember but I m barely hanging on

[Pre-Chorus]

so tell me what to do to make you change you re mind
I wish that I could find a way to turn back time
cause life s just not the same since you ve been gone.

[Chorus]

I never should have let you go
cause I m falling to pieces
I just wanna let you know
that I can t keep pretending
I never should have let you go
you re so far away
and I just can t live without you
I just can t breathe without you
I never should have let you go.
