

Beside You
Simply Red

F **Bb**
We follow the river down into the stream
Eb **Dm**
That's where my dream began
F **Bb**
I left my worries to the people who stare
Eb **Dm**
And dreamed without a care

F **C** **Dm**
That I'd always be beside you
Bb **F** **C**
To watch the day and night
F **C** **Dm**
And we listen to the sunrise
Bb **F** **C**
And feel it's growing light
Bb **Eb** **Dm** **F**
And peace will come inside so quiet

F **Bb**
Wherever we're going, I don't know
Eb **Dm**
For a million years our love keeps growing
F **Bb**
The mystery deepens, day by day
Eb **Dm**
But trust my love, and hear me say

F **C** **Dm**
That I'd always be beside you
Bb **F** **C**
To watch the day and night
F **C** **Dm**
And we listen to the sunrise
Bb **F** **C**
And feel it's growing light
Bb **Eb** **Dm** **F**
And peace will come inside so quiet
