 You ve got that look again
 C#m7 Em
 The one I hoped I had when I was a lad
 B7+ F#/G#
 Your face is just beaming
 C#m7
 Your smile got me boasting,
 Em
 my pulse roller-coastering
 B F#/G#
 Any way the four winds that blow
 C#m7 Em
 they gonna send me sailing home to you
 B F#/G#
 Or I ll fly with the force of a rainbow
 C#m7 Em B7+
 The dream of gold will be waiting in your eyes

F#/G# G#m C#m
 You know I d do almost anything you want
 B F#/G# G#m C#7
 Hey, I... I try to give you everything you need
 Em
 I can see that it gets to you
 B G#m
 I don t believe in many things,
 C#7 Em B
 But in you... I do

(B B7+ C#m7 Em)

B F#/G#
 Her faith is amazing
 C#m7 Em
 The pain that she goes through contained in the hope for you

 Your whole world has changed

C#m7 Em
 The years spent before seem more cloudy than blue
 B F#/G#
 In many ways your baby s controlling
 C#m7 Em
 When you haven t laid down for days
 B F#/G#
 For the poor no time to be thinking
 C#m7 Em B
 They re too busy finding ways, and I

F#/G# G#m C#m
 You know I d do almost anything you want
 B F#/G# G#m C#7
 Hey, I... I try to give you everything you need
 Em
 I can see that it gets to you

 C#7 Em B
 But in you... I do
