If you don't know me by now
You will never never never know me uuuhuhuhu

(verse)

G# Cm7
All the things that we've been through
C# Edim
You should understand me like I understand you
Now girl I know the difference between right and wrong
I ain't gonna do nothing to break up your happy home

(bridge)

B7+ E7+
Don't get so excited when I come home a little late at night
C#m7 Ebsus
Cos we only act like children when we argue fuss and fight

(chorus)

If you don't know me by now
You will never never never know me

(verse)

We've all got our funny moods
I've got mine, woman you've got yours too
Just trust in me like I trust in you
As long as we've been together it should be so easy to do

(bridge)

Just get yourself together or we might as well say goodbye
What good is a love affair when you can't see eye to eye

(chorus)

If you don't know me by now
You will never never never know me
If you don't know me by now
You will never never never know me
