

Say You Love Me
Simply Red

Dm Em Am
Dm
Being one of those grains of sand
Em
I get blown all around the world
F C
And what I make of it - oh I don't know.
Dm Em Am
What's the meaning of it - oh I don't know...
Dm
I've been around so many times
Em
That the world's turning in my mind
F C
What do I think of it - oh it's so so!
Am Em F G7
What more can you be than the things they say you've been?
Dm Em F
Say you love me all around the world
Dm Em F
Stay and hug me all around the world
Dm Em F
Be yours a boy or be mine a girl
G7 C Dm Em
Just say you love me!
Dm C Dm F
Just say you love me!
Dm
I never ever realised
Em
it's so easy to make you cry
F C
But did I break a bit - oh I hope no!
Dm Em Am
Have you forgot about it - oh I hope so!
Dm
But you never ever wonder why
Em
In every single pair of eyes
F
There's a hunger in it
C
Or it's soul dies

What more can you be than the things they say you've been?
