--|
E|5-5-----222333-5-5-----222333-5/------222333-5-----
--|

```

Outro is a handful of G s .Feel free to improvise on the outro and fill in some of the space .

Really good groove feel to the song

As ever,listen to the song for the structure and variations.Feel free to throw variations of your in.

Enjoy !
