The words I mean
My tongues tied
Up around it
My brain is so tired
But my heart is so warm

Bm E
Most of all To make love to you

Am D Am D X2

Last night I dreamed about it
The rooms in these hotels
Are the same around the world
I could really do without it
I'll only hate myself
If I take another girl

I wanna be with you
I wanna talk with you
I wanna sleep with you
Most of all
To make love to you

Am D Am D

C D
Oh if I ever get home again
C D
If you could ever Do the same thing too
I could open up my soul again

I have to get this message to you

I wanna be with you
I wanna talk with you
I wanna sleep with you
I wanna make love to you
Love to you
You've got that feeling inside
And you know
My joy just can't hide
