         F#                      C#7                                    B7
This impossible power, a strength that I can t see
                      C#                       B C# F#
There s no way that I can let you go
F#                            C#7
Why did I mistake sex for another sense
B7                                      C#            B   C#   F#
Then wanted someone else to try to tell you no
F#                   G#m7
I think you understand
Bbm7              G#m7
Oh that you ve got it
F#                   G#m7
I try hard but I can t
Bbm7          G#m7
Oh do without it
F#                      G#m7       Bbm7         G#m7
I think you understand that you ve got it
           F#                  C#7                    B7
This impossible power has broken into me
                      C#                 B C# F#
And stolen all the sense that I had before
F#                            C#7                 B7
Why did I just take and never understand
B7                                      C#          B   C#    F#
The love you ve given me could ve learnt me more
F#                        G#m7
I think you understand
Bbm7              G#m7
Oh that you ve got it
F#                        G#m7
I try hard but I can t
Bbm7          G#m7
Oh do without it
F#                      G#m7       Bbm7         G#m7
I think you understand that you ve got it
B                            C#
What made you think that I d be true to you
             B
I needed to prove it to myself
           C#7
That I could let you go
B                        C#
What made you think that I d be a fool for you
        B
You knew that I was lying
              C#7
```

There was something I was hiding
F#   **G#m7**
I think you understand
Bbm7   **G#m7**
Oh that you ve got it
F#   **G#m7**
I try hard but I can t
Bbm7   **G#m7**
Oh do without it
