Intro: **D** (lots) **A Em G**

D

Everybody preys in the wounds

A

I don t care, but I wish that I would

Em

She s the sun when I m rain

G

But it was all ugly shouting again

D

All the while I breathe in pain

A

That s how I know all our secrets

Em

Went down on all our friends

G

They say the same, that I m changing again

D

Everybody preys in the wounds

A

I don t care, but I wish that I would

Em

She s the sun when I m rain

G

But it was nothing but shouting again

Bm

I wanted to sleep but when I closed my eyes

Em

I wanted to write something true

Em

I wanted to sleep but when I closed my eyes

Em

Saw something real but only came up with

D A Em G

Lies, lies, lies, lies

D

The same town that killed this life

A

Better turn down the same eyes

Em

That spilt on their floors

G

With the same, mine and yours

Em

I wanted to sleep but when I closed my eyes

Em

I wanted to write something true

Em

I wanted to sleep but when I closed my eyes

Em

Saw something real but only came up with

(each chord for half as long)

D A Em G

Lies, lies, lies, lies

(and half as long again)

D A Em G (to the end)

Lies!

Enjoy!
