Letra / Lyrics:

This is the last day of our acquaintance  
I will meet you later in somebody s office  
I ll talk but you won t listen to me  
I know what your answer will be

I know you don t love me anymore  
You used to hold my hand when the plane took off  
Two years ago there just seemed so much more  
And I don t know what happened to our love

Today s the day  
Our friendship has been stale  
And we will meet later to finalise the details  
Two years ago the seed was planted  
And since then you have taken me for granted

But this is the last day of our acquaintance  
I will meet you later in somebody s office  
I ll talk but you won t listen to me  
I know your answer already

But this is the last day of our acquaintance  
I will meet you later in somebody s office  
I ll talk but you won t listen to me  
I know your answer already  
I know your answer already  
I know your answer already
