Tuning: half-step down

(no chords)
Yeah, you
You re biting your lower lip
While I m still talking about what I can t get
With both hands around your hips
i can make you believe

A5 C5 G5 x4
C5 G5

C5 G5 F5
Relax and kick back
C5 G5 F5 G5
Just take your time And I ll make sure that we shine
C5 G5 F5 A5 G5
Oh no, I will not let you down

CHORUS

A5
Yeah, you
C5 G5
You re biting your lower lip
A5 C5 G5
While I m still talking about what I can t get
A5 C5 G5
With both hands around your hips
F G5
I can make you believe again
C G Am
That we, we ve been dying for so long
F C
Now it s time to come undone
G
Wash away the tears
Am F
And we ll both carry on

Once more, for sure
I found a way we can occupy our time
Rewind to find a place we both can't resist

Yeah, you
You're biting your lower lip
While I'm still talking about what I can't get
With both hands around your hips
I can make you believe again
That we, we've been dying for so long
Now it's time to come undone
Wash away the tears
And we'll both carry on

Am **F**
Baby, name a time and a place
C **G**
I swear I'll be there
Am **F**
I know just what you need
F **G**
So take me tonight
Am **F**
And you know that the way that you move
C **G**
It always kills me
Am **F** **G**
So now I'll take the lead and give you the time

A5 **F5** slide **A5**
Relax and kick back

Just take your time
F5 slide to **G5**
And I'll make sure that we shine
F5 slide to **G5**
Relax and kick back
F5 slide to **A5**
Just take your time And I'll make sure that we shine
F5 slide to **A5**
I am so obvious
F5 slide **G5** **F5** slide **G5**
And all that I can do is hold you down
G5
And hope to God you feel it too

(no chords)
