Verse 1:
D
   At the sound of the bell
                      G
you will fall fast asleep
Let the sound of my voice
                   Bm
help you never repeat
All the things that you ve
done all the people
       A
you ve harmed
Just surrender sweet
sweetness surrender
D
   When the curtains go crash
                        G
and the knees start to bend
When the filaments burst

```
                              Bm
and there s no light to lead
You to anywhere useful
you re severed there
A
All skin on skin left
severed and sucking the wind

Chorus:
Bm F#m   G
    Marionettes
           Bm
How they dangle on
 F#m
strings yet
       G         D
they never forget
Bm           F#m      G
  I can t take anymore
               Bm
I m over it now
   F#m
I can t take
     A
anymore Anymore

Verse 2:
D
   At the camera s collapse
                         G
you will feign deep respect
Let the flash of your past
                      Bm
help you never forget
All the things that you re not
                   A
All the people you failed
to remember or return to sender
D
   When there s nowhere but
G                             Bm
black and the sharks creeping in
When you re weathered and
A                      D
torn from the weakest of things
                     G
Like the loose-leaf parade
               Bm
or the rain on electrical wires
       A
Such electrical lives that we
```

G   A
lead I promise that I ll
F#m   G(hold)
never leave you alone

(Repeat chorus)

Bridge:
Bm   A
  Never tasted better
      Bm   G
when you tried to let go
Bm   A
  Never tasted better
      Bm   G
when you tried to let go
Bm   A
  Never tasted better
      Bm   G
when you tried to let go
Bm   A
  Never tasted better
      Bm   G
when you tried to let
tried to let go

Interlude: G--A--F#m--G-- x2

Verse 3:
D
Never tasted better
                    D(hold)
when you tried to let go

(Repeat Chorus)

Outro:
Bm F#m   G
   Marionettes
           Bm
dangle on strings
F#m   G
Marionettes
D   Bm
know everything
F#m   G
Marionettes

```
          Bm
dangle on strings
F#m  A
Marionettes
know everything
