

Sugar Sweet
Sing It Loud

Cadd9 **G** **Em7** **Dsus**
I ve got a girl down in California
Cadd9 **G** **Dsus**
The golden sun brings her home to me
Cadd9 **G** **Em7** **Dsus**
She laughs as she twirls, in her own little world
Cadd9 **G** **Dsus**
As the ocean waves crash around her body

Cadd9 **G**
She s sugar sweet
Em7 **Dsus**
She s all that I need
 Cadd9 **G** **Dsus**
It s taking all that I have to hold on
Cadd9 **G**
Her angel eyes
Em7 **Dsus**
A clever disguise
 Cadd9 **G** **Dsus**
I m doing all that I can to move on

Cadd9 **G** **Em7** **Dsus**
I ve got a girl who swears that she is innocent
 Cadd9 **G** **Dsus**
When the night is young she starts to make her move
 Cadd9 **G**
But this feeling I get from the taste of her lips
 Em7 **Dsus** **Cadd9**
Her head on my chest my hands are shaking
 G **Dsus**
So make your move

Cadd9 **G**
She s sugar sweet
Em7 **Dsus**
She s all that I need
 Cadd9 **G** **Dsus**
It s taking all that I have to hold on
Cadd9 **G**
Her angel eyes
