There s not so far from a vibe of loneliness to a vibe of sadness
D#m              A#m          F
There s not so far, far, far
                  A#m
There s not so far

There s not so far from a vibe of loneliness to a vibe of madness
There s not so far, far, far
There s not so far
```

```
D#m                          A#m
(He knows) he s not the richest one
      F                   A#m
(He knows) he s not the nicest one
      D#m                 A#m
But he wants the right to live
      F                        A#m
What so many, so many, so many, so many live
D#m              A#m
Find a, find a wife

Build a family
D#m                 A#m                           F
But dreams are dreams and he lives something else

in a nightmare
```

          B                              A#m
He doesn t know why, he s got so much love to give
       B                              A#m
But no one, no one, no one, no one to receive it
