           Ebm                Cm
little orphans in the snow with nowhere to call a home
           F#                C#
start their singing...singing
           Ebm                Cm
waiting thru the summertime to thaw your heart in wintertime
           F#                C#
thats why their singing...singing

           Ebm    B            F#            B
waiting for a sign to turn blood into wine
           Ebm                B            F#                C#
the sweet taste in your mouth turned bitter in its glass
Eb# B    F#    C#    Eb# B
F#    C#
israel... in israel    israel... in israel

           Ebm                Cm
shattered fragments of the past meet in veins on the stained glass
           F#                C#
like the lifeline in your palm
           Ebm                Cm
red and green reflects the scene of a long forgotten dream
           F#                C#
there were princes and there were kings
```

Ebm Cm
now hidden in disguise, cheap wrappings of lies
F# C#
keep your heart alive with a song from inside

BRIDGE

Ebm Cm
even tho we re all alone we are never on our own
F# C#
when we,re singing...singing
Ebm B F# C#
ooohh ooohh TWICE
Ebm Cm
theres a man whos looking in and he smiles a toothless grin
F# C#
because hes singing ...singing
Ebm Cm
some people shine with glee but their song is jealousy
F# C#
their hate is clanging...maddening
Ebm B F# C#
in israel will they sing happy noel
