

Last Beat Of My Heart
Siouxsie and The Banshees

Last Beat of My Heart
by Siouxsie and the Banshees

=====

This is the song my wife and I danced to at our wedding, so I figure it should be the first chord I ever submit! This is a very simple song and good for beginners. The rhythm is reminiscent of a 50 s era slow ballad. Play along with the song and you ll have it in no time.

Intro: Just strum or pick a C maj (arpeggio sounds nice here)

C

In the sharp gust of love
My memory stirred

Am

When time wreathed a rose
A garland of shame

F

Its thorn my only delight
War torn, afraid to speak

C

We dare to breathe
Majestic, Imperial,
A bridge of sighs

Am

Solitude sails
In a wave of forgiveness

C

On angels wings
Reach out your hands
Don t turn your back

Am

Don t walk away

F

How in the world

Fm

Can I wish for this?

C C7

Never to be torn apart

F

Close to you

Fm C

Til the last beat
Of my heart

C

At the close of day
The sunset cloaks

Am

These words in shadowplay

F

Here and now, long and loud

C

My heart cries out

Am

And the naked bone of an echo says

C

Don't walk away

F Fm

Reach out your hands

C C7

I'm just a step away

F

How in the world

Fm

Can I wish for this?

C C7

Never to be torn apart

F

Close to you

Fm C

Til the last beat

C7

Of my heart

F

How in the world

Fm

Can I wish for this?

C

C7

Never to be torn apart

Of my heart
