

**Love In A Void**  
**Siouxsie and The Banshees**

Love In a void by Siouxsie and the Banshees

*Intro:*   **Eb**      **Bb**      **F**      **C**      **G**      **G**

*Verse:*

**G**                      / **Bb**                      / **A**                      / **Bb**   **A**

too many fools blocking my motion  
clouding my eyes must be the potion  
spots on my eyes must be the lotion  
spots on my eyes must be the lotion

*Chorus:*

**Eb**                                      **Bb**

love in a void its so numb

**F**                                      **C**

avoid in a love its so dumb

**G**                                      **G**                                      **G**                                      **G**

love in a void...

*Verse:*

too many bigots for my liking  
too many critics too few writing  
rabid dogs that aren t biting  
rabid dogs that aren t biting

REPEAT Chorus:

*Verse:*

jaded reputation on which we re staking  
lots of money for the making  
for all the stars they re just fading  
for all the stars they re just fading

*Chorus:*

**Eb**                                      **Bb**

love in a void its so numb

**F**                                      **C**

avoid in a love its so dumb

**G**                                      **G**

love in a void...

*OUTRO:*

**G**                      **F**                      (x 12)

love in a void  
a void of love  
its so dumb  
its so numb
