[Intro **Ebm B F# C# C#** - pause]

**Ebm** **B**  
When I was young my father would say  
**F#** **C#**  
Time bends its back for no one my son  
**Ebm** **B**  
And bright skies they only fool a man who are blind  
**F#** **C#**  
So look through the smile and see what s behind  
**Ebm** **B**  
Now that you left, all my dreams - drifted away  
**F#** **C#**  
I try to move past but life s not the same

[Pre-chorus]

**B**  
If I only knew then  
**C#**  
the things I know now  
**Ebm**  
I d take it all back  
**B**  
and turn it around

[chorus]

**F#** **C#** **Ebm**  
Cause I have so much to say and more to give today  
**B**  
this is no life to live (you gotta give)  
**F#** **C#** **Ebm**  
Cause I have so much to say and more to give today  
**B**  
this is no life to live (you gotta give)  
**F#** **C#** **B**  
Must be a better way - a better way  
[**Ebm B F# C# C#**]

[v2]

Now I sit here in a cage all my own  
It s a new life, it s a brand new home  
It s made out of steel, it s built out of fear  
It s closed up to you and it s part of the deal

[Pre-chorus]

[chorus]

[Lead: **B C# Ebm C#** 4x]

[bridge]

Turn back the clock [Dm]

and put it all back [C]

I ll make the time last. [Bb]
