[Intro **Cm G# Eb Bb Bb** - pause]

**Cm** **G#**  
When I was young my father would say  
**Eb** **Bb**  
Time bends its back for no one my son  
**Cm** **G#**  
And bright skies they only fool a man who are blind  
**Eb** **Bb**  
So look through the smile and see what s behind  
**Cm** **G#**  
Now that you left, all my dreams - drifted away  
**Eb** **Bb**  
I try to move past but life s not the same

[Pre-chorus]

**G#**  
If I only knew then  
**Bb**  
the things I know now  
**Cm**  
I d take it all back  
**G#**  
and turn it around

[chorus]

**Eb** **Bb** **Cm**  
Cause I have so much to say and more to give today  
**G#**  
this is no life to live (you gotta give)  
**Eb** **Bb** **Cm**  
Cause I have so much to say and more to give today  
**G#**  
this is no life to live (you gotta give)  
**Eb** **Bb** **G#**  
Must be a better way - a better way  
[**Cm G# Eb Bb Bb**]

[v2]

Now I sit here in a cage all my own  
It s a new life, it s a brand new home  
It s made out of steel, it s built out of fear  
It s closed up to you and it s part of the deal

[Pre-chorus]
