[Intro **Em C G D D** - pause]

Em **C**
When I was young my father would say
G **D**
Time bends its back for no one my son
Em **C**
And bright skies they only fool a man who are blind
G **D**
So look through the smile and see what s behind
Em **C**
Now that you left, all my dreams - drifted away
G **D**
I try to move past but life s not the same

[Pre-chorus]

C
If I only knew then
D
the things I know now
Em
I d take it all back
C
and turn it around

[chorus]

G **D** **Em**
Cause I have so much to say and more to give today
C
this is no life to live (you gotta give)
G **D** **Em**
Cause I have so much to say and more to give today
C
this is no life to live (you gotta give)
G **D** **C**
Must be a better way - a better way
[**Em C G D D**]

[v2]

Now I sit here in a cage all my own
It s a new life, it s a brand new home
It s made out of steel, it s built out of fear
It s closed up to you and it s part of the deal

[Pre-chorus]

[chorus]
