And how you left me dead inside

D G D A
We were gonna be different
D G D A
Now where did those dreamers go?

You were the one who held my heart
G Bb C
And smiled as it leapt inside
D G D A
Oh, we were gonna be different
D G D A
Now where did those dreamers go?
D G D A
Well, I guess they died when we got older
D G D A
And when you lied, didn't have to

(Guitar solo - not so sure about this part)

D2 C B Bb (4x)

A Em
Well, I don't know where I should go from here

D G D A
We were gonna be different
D G D A
Now where did those dreamers go?

D G D A
I guess they died when we got older
D G D A
And when you lied, didn t have to
