Effortlessly Sister Hazel

Sister Hazel - Effortlessly Transcipted by Juan Guido Botindari

G D Em7 Cadd9

I won t be so hard on me today
I start to take myself so seriously
Shouldn t be so hard just to be effortlessly
It shouldn t be so hard to keep it together
It shouldn t be so hard to say the right things to you
It shouldn t be so hard just to be effortlessly

[Pre-Chorus]

Cadd9 D

Weightless worries fall away

Cadd9 D

Wasted pools of energy

C G Cadd9 D

I want to know I want to breathe

[Chorus]

G D Em7 Cadd9

Effortlessly - just be

G D

I want to be effortlessly

Em7 Cadd9

I want to be

It shouldn t be so hard to be inspired

It shouldn t be so hard just to write this song

It shouldn t be so hard to be wrong or to agree

It shouldn t be so hard to change the world

It shouldn t be so hard just to change your mind

It shouldn t be so hard just to be effortlessly

[Pre-Chorus]
[Chorus]

I won t be so hard on me today
I start to take myself so seriously
Shouldn t be so hard just to be effortlessly

Effortlessly

I want to know

I want to breathe

I want to simplify my needs

I want to live inside this moment

And just be effortlessly

Just be I wanna be effortlessly

I want to be
