Sister Hazel - Effortlessly
Transcribed by Juan Guido Botindari

G# Eb Fm7 C#add9

I won't be so hard on me today
I start to take myself so seriously
Shouldn't be so hard just to be effortlessly
It shouldn't be so hard to keep it together
It shouldn't be so hard to say the right things to you
It shouldn't be so hard just to be effortlessly

[Pre-Chorus]

C#add9 Eb

Weightless worries fall away

C#add9 Eb

Wasted pools of energy

C# G# C#add9 Eb

I want to know I want to breathe

[Chorus]

G# Eb Fm7 C#add9

Effortlessly - just be

G# Eb

I want to be effortlessly

Fm7 C#add9

I want to be

It shouldn't be so hard to be inspired
It shouldn't be so hard just to write this song
It shouldn't be so hard to be wrong or to agree
It shouldn't be so hard to change the world
It shouldn't be so hard just to change your mind
It shouldn't be so hard just to be effortlessly

[Pre-Chorus]

[Chorus]

I won't be so hard on me today
I start to take myself so seriously
Shouldn't be so hard just to be effortlessly

Effortlessly

I want to know

I want to breathe

I want to simplify my needs

I want to live inside this moment

And just be effortlessly

Just be

I wanna be effortlessly

I want to be
