Am
Now I m wrapped in black and blue
G
You know I m crazy bout you

G
Should I take a chance?
Or should I sit and wonder of you?

C **F**
I wanna tell everybody everybody
Am **G**
that you re so much more than they ve ever even seen before
C **F**
And I wanna tell everybody everybody
Am **G**
If they touched your hand then they d never want to let you go

Verse 2:

Like a junkie to a rush
I d trade my mama for your touch
Oh wait that might just be too much
Well I d do anything but that
You are so tempting my dear
You strip away my useless fears
No you don t care that I m weird
And that s amazing yeah
