Intro: **G C(9) G C(9) G**

(Pause)

a crooked chimney standing in the middle of a field

C(9)

Once surrounded by the walls of work

by laughter and by love

G

The sound of children playing

And the sound of people saying=20

C(9) G=20

I love you...Yeah you

A crooked tree stands naked near the centre of the field

Barely rooted in the browns and greys

Of that once was green=20

A place long since forgotten

In a world of yesterday

Except by me..Yeah me

D **C** **G**
And oh...Whose plan was this anyway
C(9) **G**
And I never thought he would want it to be this way

(Pause) **C(9)** **G** =20
It once was beautiful..right here

C(9) **G**
It still is beautiful..in here

C(9) **G**
you once were beautiful..I hear

D
I hear it can be beautiful=20

C
Just remember

Solo: **G C(9) G C(9) G** (something like that)

A twisted little image in your perfect little world
of the chapter where it all begun
about a song already sung
Burt around the edges
Nearly faded..nearly gone
Even you...yeah you=20

A shiny building standing in the centre of today=20
Where indifferent people go to work
Go about their pay
Knowing they ve forgotten=20
In the most convenient way
Yesterday..Away
