D **Am**
On the plane to Amsterdam
G **D**
I left the carnage on the ground
Am
In your seat was emptiness
G **D**
So heavy, we could barely right it down

C **D**
And every color since I walked away
C **G/B** **A**
Looks to me like every shade of wrong

D **A**
But now I m on the way back
Em **G**
Chasing something better
D **A** **Bm** **E**
And it s turning me around
D **A**
Baby if you still care
Em **G**
If there s still a burning ember
Em **Gm**
I m ready to surrender now

The illness of my galaxy
Made you revolve around my world
But I cast myself as the brightest star
Falling further from the girl

All the things I thought were made of gold

Turned out to be every shade of wrong

(Chorus)

Bm

I left the promise bleeding

G

Cold and barely breathing

Em

Gm

Can you still hold on

(Chorus)

Ready to surrender

I m ready to surrender
