On the road to safe

G F

I kinda tripped along the way

The path was greener on the one less traveled

That s where I remained

I can t hear the whispers

Their trying to shoot down my plane of grace

It seems like it s already hard enough

**Am** **C/B**  
So tell me what it is about me  
**Am** **Am7/G**  
Where did everybody go without me  
**F**  
So, I like to fantasize  
**Fm**  
And watch the sunrise like it s a big surprise  
**C** **C/B**  
Life moved and I stopped to taste it
