I never took you for a foe

**D Dm F**  
Oh the golden fields

Where nothing is real

It just fell into our laps  
**D Dm**  
Like downy puppy dogs

And it feels like sandpaper on dried up gum

**D Dm F**  
Oh the golden fields  
**Am D**  
Where you are unreal  
**Dm F Am**  
And underneath your skin  
**D Dm**  
Are the earthworms and the grubs  
**F Am**  
That you kept so concealed  
**D Dm**  
I am cashless now  
**F Am**  
I am cashless now
