Sivu

This is how I play it though I think Sivü plays his guitar a 1/2 step tuned down
capo 8

but who really feels like tuning down their guitar?

Capo 8 or whatever suits your fancy

For the whole world to see

C

He found our cure but then lost the key

Em

At least the damage is done,

C

And now we wait to be swallowed by the sun

As I'm drowning down the river

D

I'd do anything to go back

Guaranteed to deliver

Em C

Make an exception and then I'll follow the rule

G

Cause I'd do anything to go back

D

I'm begging you please to reconsider,

Consider, consider

Em

We've been making trails in the family tree

C

Burning our own small piece of history

Em

Promise me that you won't forget me

C

Oh no no, oh
