

I Will Wait
Six West

I love this song and there are no tabs for it any where! Enjoy!
Capo 3rd

D C Em D

G **Em**
Another song is over, I wonder where you are
G **D** **C Em D**
My faith is growing colder, always countin on the stars
Em **C**
Just one last let down baby, tell me something new
G **D**
I m tired and so frustrated; am I better off without you?

Chores

G **Em**
I don t have to wait
D **C**
You re far too late, for me to stay
G **Em** **D**
I won t have to cry, About your lies
C
The love just died
G D Em C
I m gonna fly away this time

G **Em**
Another night forgotten, waiting for your call
G **D**
Your face is slowly fading from the picture on my wall
Em **C**
Just one more heartbreak baby, but I never see the pain
G **D**
I gave you all I had to give, Now there s no more love to take

Repeat Chores

D **G**
I remember how it used to be, Just you and me
D **C** **G**
Ah, give me time to explain, I wanna make it all okay

G* **Em*** **D***

I, I will wait, It s not too late

C*

For us to change

Chores

G

D

I, I will wait, It s not too late

C

For us to change

G

Em

Oh, I don t have to cry

D

I look in your eyes

C

And I m alright

G

D

Em

We re gonna fly away this time.
