[INTRO]

A F#m

A E C#m B

[Verse]

A E B C#m

Only to be, i live in expectancy

A E B C#m

No wonder it feels, like this wasn t meant to be

A E C#m B

Though my mind is, so confined

A E C#m B

That there ain t no point reasoning

A E C#m B

Now that it s clear to see

A E C#m B

It was all in front of me

A E C#m B

And i m right where i m supposed to be

[Chorus]

A E C#m/G# B/D#

Yeah yea, i ll live just turning pages

A E C#m B

Yeah yea, well i know that it s worth the ride

A E C#m/G# B/D#

Ain t it good to be alive

[Verse]

A E B C#m

So what will it be

A E B C#m

My dreams are my company

A E C#m B

To lose what is me

A E C#m B

I follow the path i see

A E C#m B

My mind is so confined

A E C#m B

That i don t even know where to begin

A E C#m B

But it took me so long to find

A E C#m B

That i can leave it all behind

A E C#m B

Cause i don t get everything i need

[Chorus]

**A E C#m/G# B/D#**

Yeah yea, i ll live just turning pages

**A E C#m B**

Yeah yea, well i know that it s worth the ride

To a world that s fit for someone else
