

A Million Parachutes
Sixpence None The Richer

Intro: **Eb9 Bb Gm C**

Chorus: **Cm F Bb Eb9**

Eb9 Bb Gm C

Like a million parachutes the snow's coming down

Eb9 Bb Gm C

I'll lock up the front door and turn the lights down

Eb9 Bb Gm C

In the glow of the street lights, i see them descend

Eb9 Bb Gm C

Like a million parachutes, small men on a mission

Cm F Bb Eb9

I miss the warm, i miss the sun

Cm F Bb Eb9

I miss the ocean, i miss everyone

Cm F Bb Eb9

I miss the bridges that span across the bay

Cm F Bb Eb9

Tonight it seems like ages ago

Eb9 Bb Gm C

Like a million parachutes the snow still falls

Eb9 Bb Gm C

The dogs are asleep now, there's no one to call

Eb9 Bb Gm C

I'll put on some records and wait for the light

Eb9 Bb Gm C

All those million parachutes, now a blanket of white

Cm F Bb Eb9

I miss the warm, i miss the sun

Cm F Bb Eb9

I miss the ocean, i miss everyone

Cm F Bb Eb9

I miss the bridges that span across the bay

Cm F Bb Eb9

Tonight it seems like ages ago

Solo guitarra: **Eb9 Bb Gm C** (até voltar para o Refrão)
