VAMP (2x)

Am27 Em2
Deep inside the darkest night is drinking in the light
Am27 Em2
>From pinholes pricked, holy needles knicked in a canopy of white
Am27
I m alone, I m alone
Em2
And I m beating my soul to make it bleed a drop of hope
Am27 Em2
Then I ll drink it up in a golden cup and let it grow inside

G /A C2 G/B G
And I fear that you ve gone away
/A C2 F
But you must be somewhere near

VAMP

The fire fades so the deepest shades slowly trickle down the wall
In a room I hide will I come outside and have some kind of fall
All my words, all my words
They have lost all their worth, nothing s good enough for anyone

And the look on my face leaves a subtle trace of the change
That is to come

CHORUS
