

Eyes Wide Open
Sixpence None The Richer

///This is a great song by Sixpence None The Richer. I hope you like the tab!\\\

E **Am**
eyes wide open all the time
E
just like a drug store in the city
Am **E**
where she walks the streets at night
E **Am**
time keeps ticking like the ocean through a sieve
E **Am** **E**
ever on ever forward in a march

E
hallelujah
A
and she's one for the money
G **B7**
to for the show time to go
E **Am**
back to life back to dreams
E
without tears
Am **E**
she's saving what she killed
Am **E**
she built herself a room
Am **E**
to spin around her womb

B **B7**
she's saying good bye bye bye
E
to the world now
B **B7**
she's saying good bye bye bye
E
to the world now

C D E

E
