

Healer

Sixpence None The Richer

(intro) **G Bm7/F# G Bm7/F# C D7+/C# C D7+/C#**

G

amber liquid

Bm7/F#

wetting wine cups to the stem,

G

spilling drops of bliss

Bm7/F#

and on the earth like little gems

C

that myself mistook so foolishly

D7+/C#

as I stopped to steal a drink

C

of the liquid in the melting

D7+/C#

G Bm7/F#

in my eyes in my hands and on my lips,

G

Bm7/F#

and on my lips

G

earthy blankets

Bm7/F#

full of golden lint and thread

G

Bm7/F#

I see the children play as I

am on my way again

C

to another place

I'm sorry to say that we

D7+/C#

blurred the picket fence

C

still the children play

they wrap themselves in the

D7+/C#

middle to sip sunlight

G

Bm7/F#

and drink innocence,

G

Bm7/F#

they drink innocence

(refrão)
