                               C
Em
               D
You are still burning
                   Bmin
The flame that is turning
               C
                           Emin
My smoldering ash into a bird
Emin
                        D
So stay close my brother
                      Bm
I couldn't stand the loss
               С
You are the bridge of action
Amin
                        Emin
I need you to help me cross
Am
                  D
I need you to help me
Chorus
D
              G
So when you break
Emin
                        С
My arms I'll take hold of you
              G
                         Emin
                                                  C
D
I know your hearts is a hand that takes hold of me
Em

                       \mathbf{Em}
Emin
                      D
My hand that is breaking
                      Bmin
Is the hand that is making
          С
                            Amin
All the dead things in me grow
             Emin
A gift of a holy loss
       Amin
                      D
This burning at the dross
```
