Sixpence None The Richer

Int (**E7 A7**)

E **A**
I know we often feel the rub of love
E **A**
that we don t always fit quite hand in glove
C#m **F#**
but we live inside of a mystery
C **B7**
and my heart often fails to contain

E **A**
and I know that words are not enough
E **A**
when I think of all the endless love
C#m **F#**
that you give to me in my time of need
C **B7**
boy, it s high time these words were said {will sell}

F#m **B7**
ask for my hand you know I ll give it
F#m **B7**
and if you re cold I give you warmth
F#m **B7**
and I don t care if it s unfair

E **D** **C#7**
cause I would sacrifice myself
F#m
now that I know
B7
the only thing that matters
(**E7 A7**)

E **A**
it s hard to say what road we re travelling down
E **A**
sometimes it leads us to some awful towns

C#m **F#**
but we somehow keep, both our hands and feet
C **B7**
on the floorboard and the steering wheel

F#m **B7**
ask for my hand, you know I ll give it
F#m **B7**
and if you re cold I give you warmth
F#m **B7**
and I don t care if it s unfair

E D C#7
cause I would sacrifice myself
F#m
now that I know
B7
the only thing that matters

C#m **C** **E**
there was a time I lost my ? eyes
C#m **C**
there was a day I wasted
F# **A7** **D** **E**
too much of your golden light

F#m **B7**
ask for my hand you know I gave it
F#m **B7**
and if you re cold I give you warmth
F#m **B7**
and I don t care if it s unfair

E D C#7
cause I would sacrifice myself
F#m
now that I know

the only thing that matters
F#m **B7**
you re the only thing that matters
F#m **B7**
you re the only thing that matters
